CHANGES TO BY-LAWS (Cont'd)

It is felt that new members serving on the board will bring new ideas and life to the governing group of the organization. After serving a three year term a director, if interested, will still make a good member of the board after a one year rest.

According to our present by-laws a written notice must be sent to each member 30 days prior to the Annual Membership Meeting of the intent to change the by-laws. This notice is intended to fulfill this provision.
